Evan Rahman

Inver Grove Heights, MN 55077 | (669) 249-0766 | EvanRahmanmn@gmail.com

EDUCATION

University of Minnesota, Twin Cities — Minneapolis, MN
Bachelor of Applied Science in Information Technology Infrastructure *Expected May 2029*

SKILLS

Programming & Scripting: Java, Python, SQL, PowerShell, Bash/Linux

Security Tools: Wireshark, Suricata, Chronicle, Wazuh

Productivity Tools: Google Docs, Sheets, Drive

Languages: English, Bangla

WORK EXPERIENCE

Student Tech Support Services
University of Minnesota, Twin Cities – CSE-IT | September 2026 – Present

- Install, configure, and troubleshoot system software, applications, and hardware for CSE staff and faculty.
- Diagnose and resolve system issues, including backup and restore of user files.
- Provide network assistance and maintenance across supported CSE units.
- Maintain technical documentation for supported systems and processes.

Shelving Assistant
Dakota County – Wescott Library, Eagan, MN | April 2023 – Present

- Maintained inventory accuracy using library classification systems.
- Provided front-line patron support, facilitating resource discovery and navigating digital catalog systems.

PROJECTS

Raspberry Pi Network Infrastructure
Pi-hole, DNS, Networking | Solo Project | June 2025

- Built a DNS-level security control that identified and blocked unauthorized outbound telemetry and advertising traffic, blocking roughly 40% of flagged requests.
- Applied core networking concepts (DNS, DHCP, TCP/IP) to reduce exposure through static IP assignment policy.
- Documented configuration and monitored performance through a real-time dashboard to track results over time.

Linux Home Server & Game Hosting
Debian/Ubuntu, Docker, Bash | Lead Administrator | August 2025

- Implemented security controls, including HTTPS/SSL encryption and two-factor authentication, for administrative access.
- Automated backups and maintenance via shell scripting and task schedulers.

CERTIFICATIONS

- **Google Cybersecurity Professional Certificate** — Google (2026): hands-on practice with SQL, Chronicle, Wireshark, and Suricata for log analysis, threat detection, and network traffic inspection
- CompTIA Security+ (SY0-701) Cert Prep — Infosec / LinkedIn Learning (2026)
- Cybersecurity Foundations — LinkedIn Learning (2026)
- Building a Home IT Lab — LinkedIn Learning (2026)

CAMPUS ACTIVITIES

Freshman Representative
International Club, University of Minnesota, Twin Cities | September 2025 – May 2026

- Served as a bridge between the freshman class and the executive board to foster an inclusive campus environment.
- Assisted in organizing large-scale cultural events and weekly meetings.
- Drove freshman engagement and recruitment through targeted outreach and social media.
